

CHRISTIANITY'S FAMILY TREE

What Other Christians Believe and Why

**An 8-week study beginning September 14
led by student intern Joan Pell**

*Why are there so many different churches and
denominations within Christianity?*

How are they different? What do they have in common?

*Can we come together in a way that bears witness to the
love of God and the peace of Christ?*

Using a video-based study created by a United Methodist pastor, the Rev. Adam Hamilton of the Church of the Resurrection in Leawood, Kansas, we will explore these questions and more as we focus on a different denomination or faith tradition each week. Come and learn more about your relatives in the Christian faith: Orthodox, Catholic, Lutheran, Presbyterian, Anglican, Baptist, Pentecostal and Methodist.

An optional study book will be available for \$10, and weekly handouts will be distributed with activities and exercises for private study. For more information, please contact the church office.
